It is our privilege to have His Holiness Swami Chidanand Saraswati Ji, President and Spiritual Head of "Parmarth Niketan", Rishikesh (UK), as our Chief Patron and Advisor. We believe that man is the author of its own destiny who has potential to transform the universal system by its fortitude, conviction, and dedication. We do believe in clubbing the approach of traditionalism, spiritualism, Vedas and Yoga idealism blended with core fundamentals of modernism. To support continuous growth of world health, The Namogange Trust is glad to bring 3rd edition of Arogya Sangoshti- An Exclusive Seminar on Health & Wellness. This Seminar is just a small step towards a big dream and vision of Honourable Prime Minister Shri Modi Ji, to promote 'Health and Wellness' through alternative medicine and ancient sciences of healing.
